As last reported, 108 suitors from four islands, with [[people/antinous]] at their head. These are group counts by home island; the named men have their own records. The ledger is [[ithaca/suitors/roster]].

HOME ISLAND	SUITORS
Dulichium	52
Same	24
Zacynthus	20
Ithaca	12
Total	**108**

SUPPORTING FILES

ithaca/suitors/roster.md
108 men from four islands: 52 Dulichium, 24 Same, 20 Zacynthus, 12 Ithaca. Plus their retinue.

ithaca/suitors/dulichium.md
Fifty-two young men from Dulichium, the largest party in the hall, with six serving-men.

ithaca/suitors/same.md
Twenty-four men from Same, the island across the narrow strait. Asteris, where the ambush ship waits, lies between us.

ithaca/suitors/zacynthus.md
Twenty men from wooded Zacynthus, the furthest of the four islands from the hall.

ithaca/suitors/ithacans.md
Twelve men of our own island, from its best houses. Antinous is one of them. They grew up within sight of the hall.

ithaca/suitors/retinue.md
Six serving-men from Dulichium, two carvers, the herald and the singer. Some brought, some compelled.

ithaca/suitors/their-case.md
What they say they want and why they say they are entitled to it, as reported from the assembly. Written as they would put it, not as I would.

ithaca/suitors/ambush-ship.md
Twenty men in a fast ship, waiting at Asteris in the strait between Ithaca and Same, to take Telemachus on his way home.
