Departure from Ogygia

The raft is built. Water and provisions need a final review. Calypso’s directions are to keep the Great Bear on the left.

Departure	Passage	Landfall
12 July	17 days planned	Scheria, 29 July planned

Before launch

- Bring the water, bread and wine aboard.
- Review lashings and ballast.
- Read the directions once more.

The crossing is being attempted alone. None of the original crew survived.
