Departure from Ogygia

The next seventeen days

Launch is planned for 12 July. Scheria is the planned landfall on 29 July, not a reported arrival. Calypso's directions are to keep the Great Bear on the left hand and sail east of north.

PREPARATION	CURRENT RECORD	BEFORE LAUNCH
Raft	Twenty trees; deck, bulwarks and sail complete	Review lashings and ballast
Water	One skin; seventeen days planned	Review the shortfall
Provisions	Bread and wine offered by Calypso	Bring stores aboard
Navigation	Keep the Great Bear on the left	Read the directions once more

Passage sequence

- **Leave Ogygia** — Raft launched on the morning tide, stores aboard, sail set.
- **Keep the Great Bear on the left hand** — Calypso's own directions. Steer east of north and do not correct at night.
- **Make Scheria** — Sailors with fast ships. No standing claim on their help.
- **Land on Ithaca** — Unannounced. The hall has a hundred and eight men in it who would prefer otherwise.

Review before leaving

- [ ] Water and provisions aboard
- [ ] Lashings and ballast checked
- [ ] Directions reviewed

The original crew are all dead. This crossing is being attempted alone.
